

# Our Unique Products & Services

## Non-Citizen Lending

Our entire portfolio of loan products, from vehicles to citizenship costs, credit cards to lines of credit, is available to non-citizen members at the same affordable rates and terms all of our members have come to expect.

## Bilingual Services

Our team is as diverse as our community, with nearly a third of our staff fluent in at least two languages. We work with our members to instill trust and make them feel safe and at home.

## Microenterprise Business Loans

Access to capital for microenterprise businesses is essential to a healthy community. Our personally-guaranteed business purpose loan program gives local businesses access to closed-end and revolving capital solutions.

## Bicycle and e-Bike Lending

In the Northwest, we are taking our bicycle culture seriously. We believe that providing affordable access to pedal-powered transportation is important for people of all walks of life.

## Foster Youth

Youth in foster care often need to manage their own money. With our Foster Youth Accounts, minors 12 or older may be able to open a share (savings) account without an adult co-signer.

## Accessibility Galore

Access to your accounts when you need it is essential. With over 30,000 ATMs and 5,000 Shared Branching locations available nationwide, we have you covered. Plus, you can apply online for any Point West loan.

## Share Secured Lending

Even with damaged credit, our Share Secured loan options can help members start rebuilding sustainable credit in a responsible manner. Whether a small dollar personal loan or a Share Secured VISA credit card, we can help.

## Short-Term Loan Options

Forget payday lenders. With loan terms as short as 90 days, and affordable options such as our quick-cash "Boost" loans, we have the short-term products to help our members get the cash they need without the crippling debt.
